# Parking & Camping...

If you've purchased a FULL WEEKEND TICKET your ticket price includes access to the camping fields. As you enter the camping area you are presented with an option.

Being a family festival suitable for all ages, we have designated FAMILY CAMPING, QUIET CAMPING or GENERAL CAMPING...

FAMILY CAMPING is recommended for those of you with small children that want less noise in the evenings

QUIET CAMPING is, well, quiet and a distance from the main arena.

GENERAL CAMPING is for the rest of the site.

There are parking facilities on site for day ticket or weekend arena pass holders.

If you don't have a camping ticket you will have NO access to the campsites.

Any person found to be on the campsite without a valid wristband will be asked to leave the site and may not be allowed entry.

Unlike the majority of festivals, we allow you to park by your tent. This allows you to keep your valuables locked in your car when you are away from your tent. Please do not leave valuables unattended in your camping area.

# Supporting Our Community
